For more flexibility and variety we give you the option to mix and match the different types of sessions we offer within each package.

{Please see our family price list for a detailed description of each session type.}

The total package price is due at your very first session. Two weeks after each session you will have a viewing appointment giving you an opportunity to place your order. We understand that within the first year you may want to order more prints of one session than another, that is why the print requirement can be split up however you see fit, you are even able to order from multiple session at one time.
