

Family Sessions Prices

Minimum Print Order Requirement

In order to guarantee the quality of your portrait sessions from start to finish KV requires a minimum order of prints/products after each session.

Viewing Appointment

After your photo session you'll be dying to see your images for the first time! Approximately two weeks after your session we will set up a time to view your images in the comfort of your own home. After viewing the slideshow you'll select your favorites and place your order with a personal photo consultant guiding you through the whole process. Be sure all the decision makers are present and all children sounds asleep so you are able to focus on placing your order.

{On Location} Outside

All on location sessions are taken within the Cedar Rapids area taking 1 hour of time. When making your appointment be sure to let us know if you are interested in a park or downtown location.

{Enviro} Home

Enviro sessions capture you're family in their own environment. Photos are taken outside or inside a home with good natural light, taking between 1-2 hours of time during daylight hours.

{Studio} Home

Studio sessions use a combination of lighting and solid colored backgrounds to create a studio look right in your home. These sessions requires an opened space, take 2-3 hours of time, and are only offered between the months of November and March. Because of space limitations we can only photograph 3 adults and 3 children at a time.

{Natural} Home

Natural sessions use a combination of different backgrounds along with hardwood floors to create a new look using the natural light in your home. These sessions require an opened space, take between 1-3 hours of time, and are only offered between the months of November through March during daylight hours. Because of space limitations we can only photograph children newborn - 7 years of age.
